MISS EAST TEXAS DRILL TEAM

Malinda Bryant is one of our very talented young ladies here at McKinney High School. She is the captain of the award winning Marquettes. This summer while the Marquettes were attending the annual East Texas Drill Team Summer Camp, the camp held their annual Miss East Texas Drill Team Contest. Out of hundreds of girls, Malinda was chosen as a semi-finalist, then as one of four finalists, and finally chosen as 1981-82 Miss East Texas Drill Team. As Miss ETDT, she won a trophy, a five hundred dollar scholarship, and a permanent position on the East Texas Drill Team Summer Camp Staff. Congratulations!!!

MS. KIM WARD
MARQUETTE DIRECTOR

This year 1981-82, is a very special year for many, but especially for **Ms. Kim Ward,** the director of the Marquettes. This is her first year with the young ladies, whom she is proud to call her own. Ms. Ward is a graduate of Sam Houston State University with a Bachelor of Arts Degree in Teaching (B.A.T.). She was also a feature twirler throughout high school and college. The Marquettes have the utmost respect for her and feel very fortunate that she is their director. Welcome to McKinney High School Ms. Ward!!!

For a behind-the-scenes look at the Marquettes there is Sherrie Purser, the Marquette manager, and Joe Detterman, the Marquette escort. They both work very hard for the drill team. Also, the Marquettes felt that **Joe Detterman** supports the drill team in many other ways, so they chose him as the 1981-82 **Marquette Beau.**

FACULTY

DEDICATION

Lou Nell Spurrier

This year, as in the past, the Annual Staff is dedicating the yearbook to a McKinney High School faculty member who has been an inspiration to students. This year we have chosen Mrs. Lou Nell Spurrier, the annual advisor.

Throughout her years at MHS, Mrs. Spurrier has been very active with students. Besides sponsoring the annual for the past 7 years, she has played a major role in the MHS FHA-HERO club and is presently in charge of the PELE child care program.

Since the annual will fall under the Journalism Department next year, the Annual Staff felt that the yearbook should be dedicated to her in its last year under her guidance. This dedication was unknown to Mrs. Spurrier until distribution in the Spring. For her work and inspiration, we felt that the effort necessary to keep this major secret was well worth it.

This is just a small way the Annual Staff has of showing our deep appreciation for the long hours Mrs. Spurrier has put in helping us with this year's book.

PRINCIPAL
EUGENE HELTON

As principal, Mr. Helton has many responsibilities. He has to take care of all the paperwork, discipline students, listen to angry parents, and most important — be available.

Mr. Helton is able to do all of these and even manage to attend extracurricular activities with the students.

All students at MHS can depend on Mr. Helton. We're lucky to have a man like him as our principal.

FEDERAL LAND BANK ASSOCIATION OF McKINNEY

Like your dad and your grandfather, one thing you'll need is a dependable source of long-term credit. A source that sticks with you through good times and bad . . . doesn't panic and pull back when things get a little tough. For over three generations of farmers, that source has always been the Federal Land Bank.

When long-term credit is the answer, stop by and see how the Land Bank can help you.
